Winter Sports

Now that the fall season sports teams are wrapping up the winter basketball season follows close behind. Students are reminded to listen to announcements or check the athletic bulletin board for information on grades 6, 7, and 8 basketball.

KVR IS A CLOSED CAMPUS

As stated in our planners and in accordance with School District #67 policy, KVR Middle School is a **closed campus**. All students in grades 6-8 are expected to remain on campus unless signed out by a parent or guardian. Sign in and sign out procedures are in place to ensure student safety.

Also, in light of our closed campus policy, we do not allow students to order and have food delivered at lunch time. If parents would like to have food dropped off, they may do so at the front office. We do remind families that we provide Subway and pizza services on Tuesdays and Fridays which are fundraisers for our school initiatives.

See Mr. DeVito or Mrs. Wingham if you have any questions.

Criminal Record Checks For Volunteers

Those who wish to volunteer for helping out with any activities associated with the school are reminded that a criminal record check must be completed prior to participation. These can be completed online at <https://justice.gov.bc.ca/eCRC/home.htm>. Please enter the Access Code **TNJP25P6CL**. There is no cost associated if you use this code for your CRC. Once you have completed this on-line please let Mrs. Smith, our head secretary, know via e-mail (lsmith@summer.com) and provide her with date completed and file number. Please consider completing this if you have a child at KVR, and thank you, in advance, for volunteering with our students.

Subway lunches!

The KVR Leadership program is pleased to offer Subway sandwiches as an additional option at KVR this year. Subway orders are done on a monthly basis only and will be delivered each Tuesday for students to enjoy. All profits made from this fundraiser go towards leadership activities and supplies that we use to help make KVR a great community!

Order forms will be available in Advisory classes and at the office.

Please ensure that orders are placed prior to monthly deadline as **NO** late orders will be accepted.

Student Threat Assessment: Fair Notice and Process

School District No. 67 (Okanagan Skaha) is committed to creating and maintaining school environments in which students, staff, parents and others feel safe. Schools cannot ignore any threat of violence and are expected to investigate all such incidents and concerns.

The model present in this document reflects the thinking and work of J. Kevin Cameron, Director of the Canadian Centre for Threat Assessment and Trauma Response.

Vision

While threats and acts of violence in a school setting are generally few in number, these types of incidents have the potential for physical harm and psychological trauma to both students and staff. Having a clear process for appropriately responding to threat related behaviors, or other behaviors of concern, helps ensure a safe working and learning environment for all.

What is a threat?

A threat is an expression of intent to do harm or act out violently against someone or something. Threats may be verbal, written, drawn, posted on the Internet or made by gesture.

Duty to report

To keep school communities safe, staff, parents, students and community members have a duty to report all threat related behaviors to the principal and/or the appropriate authority – usually the RCMP. Every threat must be taken seriously, investigated and responded to.

What is a Threat Assessment Team?

Each school has a multi-disciplinary Threat Assessment Team. The team typically includes the principal, vice principal, school counselor and RCMP, as well as, in some cases district staff. In addition, Ministry of Children and Family Development, Child & Youth Mental Health, Probation and any other community partner or individuals with relevant insight/input may be a member of the assessment team on an as-needed basis.

What behaviours warrant a student threat assessment?

A Student Threat Assessment will be initiated when behaviours include, but are not limited to:

- Serious violence or violence with intent to harm or kill
- Verbal/written threats to harm or kill others/self
- Internet website/MSN/Facebook threats to harm or kill others/self
- Possession of weapons, including replicas
- Bomb threats and fire setting

What is the purpose of a student threat assessment?

The purposes of a student threat assessment are:

- To ensure the safety of students, staff, parents and others.
- To ensure a full understanding of the context of the threat.
- To understand factors contributing to the threat makers' behaviour.
- To be proactive in developing an intervention plan that addresses the emotional and physical safety of the threat maker.
- To promote the emotional and physical safety of all.

What happens in a student threat assessment?

All threat making behaviour by a student shall be reported to the principal who will follow the guidelines outlined in the “*Community Threat Assessment Protocol*”. Once the Threat Assessment Team has been activated, interviews may be held with the student(s), the threat maker, parents and staff to determine the level of risk and develop and appropriate response to the incident. Intervention plans will be developed and shared with parents, staff and students as required.

Can I refuse to participate in a threat assessment process?

It is important for all parties to engage in the process. If for some reason, however, there is a reluctance to participate in the process by the threat maker or parent/guardian, the threat assessment process will continue in order to promote a safe and caring environment.

Energy Drinks at KVR

At KVR we do not endorse the consumption of energy drinks. Research has shown that these drinks are highly caffeinated and extremely unhealthy for children, especially young adolescents putting their organs and brains 'under stress.' Please do not send your children to school with these beverages. Instead please send them with a re-fillable water bottle. Our PAC generously purchased a water bottle fill station for our students last year which dispenses filtered, chilled water.

Dropping Off, Picking Up, and Idling Cars

Parents are reminded that the area directly in front of KVR on Jermyn Ave. is a 'no-stopping zone'. Please do not stop to drop your child off in this area. It is not safe to do so. RCMP and City By-Law officers do monitor this and will ticket violators. Please plan a suitable drop off/pick up location out of this zone. Also, there have been many complaints about idling vehicles waiting to pick up students from KVR. If you are waiting in your vehicle please turn your engine off to help reduce emissions.

10 000 Tonight Food Drive

For the second year, KVR will be partnering with Pen High in the annual 10,000 Tonight Food Drive. Princess Margaret will be partnering with SLMS as well, and in the end, we will report a grand total for all four schools. This event occurs on **Wednesday, November 29th from 4:30 - 8:30 pm.** We invite any parents and students to put a group together and canvas on this impactful evening. Information on how to sign up and further details of the event will be distributed to students soon. Also, find information posted on the Penticton Secondary School Web site. Thank you for considering getting involved in this great community event!
